About ART TAICHUNG 2025

Art has been a fundamental essence of Taichung for an extensive period of time. With the inauguration of the National Taiwan Museum of Fine Arts in 1988, an environment to appreciate a diverse array of art has since been opened to the general public. Other cultural and art activities have also been actively taking place in the city, with large areas of natural green zones created through fantastic urban planning which also works well with Taichung's pleasant weather. Cultural areas are interlaced with luscious trees and other vegetation, blending together areas that the city's residents can enjoy in their everyday lives, as Taichung continues to be selected on several occasions as an ideal city to live in Taiwan.

Inspired by Taichung's elegant, leisurely, and unique urban qualities, Taiwan Art Gallery Association (TAGA), which has many years of rich experience in art exposition operations, began the organization of ART TAICHUNG in 2013. Outstanding artists are invited and introduced by galleries in both Taiwan and abroad, providing Taichung residents a visual art feast. Further efforts are also exerted in connecting with local collectors, resulting in exceptional artwork sales records each year. ART TAICHUNG is now an annual art rendezvous anticipated by TAGA and Taichung residents in the summer season.

Departing from the deep-rooted progress made in the past few years, the 13th edition of ART TAICHUNG will take place this year from July 4th to 6th at the Millennium Hotel Taichung. By expanding the art collector demographic and art market, ART TAICHUNG 2025 aims to create a distinctive international art event in Taiwan.

Millennium Hotel Taichung

Located in a luxurious district in Shih-Jen centre, Millennium Hotel Taichung is the first global hotel in central Taiwan. From here, explore the Taichung City Hall, Fulfillment Amphitheatre and National Taichung Theatre – an architectural marvel described as ‘a piece of opera’. There’s also no shortage of exceptional shopping destinations with Far Eastern Top City department store, Shin Kong Mitsukoshi and one of the most famous night markets in Taiwan - Feng Chia Night Market, all nearby. When you need a break from the city, then escape to neighbouring Maple Garden where the green setting and quiet space offers a chance to reset and relax.
